I am your umpire today ...

- On most occasions, I will be a school child/student, not an adult.
- Some decisions might even be against you – it's not a conspiracy.
- Don't judge me like an experienced World Panel umpire.
- There will be decisions I get wrong.
- I am learning each time I umpire.
- I love this game and I want your son or daughter to love this game too.

Officials volunteer their time and energy to umpire your kids' games.

To err is human, and they remain humans.

Remember to thank them and show your respect.

NO RESPECT – NO OFFICIALS – NO GAME
